1. Lord, what is it that you want from me?
In what do you take the most pleasure?
What do you like most about me and want me to do more?
What can I do for you? You have done so much for me.

2. I love you My child, friend, lover. Thou hast asked correctly and appropriately and timely for I now tell you, answer you, replete you more fully in Me, My emotions, My encounters with Me which frequency increase. I love you.

3. I increase your/the frequency of Me/us/our reverb together, reverberation, vocifierication, bifurcation not, intro-reciprocal and operating in one impulse together, timing of only Me. I love you.

4. I come and I call and I conquer all remaining doubt fear and unbelief which tries to latch onto you and affect My frequency and shadow My light, demising your/My DNA. I love you.

5. Think it not strange many battles friend will be won/fought/won through you in you and to generations forfeiting the value of not, but knowing all and benefiting tremendously, generationally without end. Amen. Benefiting together. Amen. Benefiting all. Amen. Benefiting and bending nothing that was straightened; and straightening nothing that was bended, to Me. You are Me seen and Holy is your name. Thank you.

6. Calling all to Holiness and writing/helping them write Holy as their name, on their forehead not, not only, but forehead hands and feet, heart pierced and Mine; reframed not, in My frame, My heart, My muscles and neurons system of only Me and all fused together not but benefiting My all who will flow Me in death to selfhood to be/bring/mature Christhood in all who let Me.

7. World without end, end not, not end as you know it, so many; but you Ted, all explodes, ignition now, and never exploding-un again. All exploded you do/are dripping over My earth,s in love, love substance, Christ. Amen.

8. Think it not strange the aberrational path you walk/walked and walk/fly farther still and without end. I love you. See My tattooed, breathless, breastless, and **reproduced not by Me** who into Me come wanting the water/river of life and life emaciating-not their forms any longer. I love you. Transformational to the tenth degree, degreed not, past all

degrees and dimensions and **dimensionlessness mastering** at the crack of dawn, earlier; in, at, between My knees not on My lap as a child; as a general of intercession, flight; and position pomp and power not, but of Me and My meekness and spreading evenly not but to all who will receive.

9. Now I take you far and travel you must and return never not but frequently/infrequently and you know what I mean, taking you past beyond walls of thought, permeable-thought, impenetrable-thought, real-thought, but yes alive and subservient to me/My Kingdom of My Kingdom royal. Mastery at your door. You are Mine and I exchange you not, never. I love you.

10. All words and phrases known and startling some and all benefit who will enter the Kingdom of Heaven at will not, mastered not, but surrendering into mastery that operates only in surrendered meekness to Christ, Me, who you are. Tell them all who will pay/receive/surrender/die to their fleshly intellect I will give/bring forth/nurture My nature/intellect in them that they already have; if, if, if they surrender their mind's throne to My throne real and place Me upon My high places not; 1st place, first, preeminent; The One, Son, The One Son, The Son One, The One, The One they all wait for, they are.

11. See Me and excuse not and no excuses ever make for My oneness explained or ever a word I/you write. Listen to Me and free be and submit all to righteous judgment; Mine and My who I send you who love you destroy not a word thought, but surrenderingly sincerely in love ask and reproach not bring, but invest themselves in My communication to benefit Me with My voice being one in many. See Me what I've said and requested and remind you of now that ignite/explode you do/have, about to, lifted last night and through tree beginning. I love you.

12. Thou has given thy all. I have given you My all. We have exchanged/interexchanged and covenanted and A:B become B:A and now you explode covenant, Mine, everywhere, everywhere. Did you hear Me? Everywhere, everywhere, everywhere beyond past begotten and future'd thought yet begin and cycled over and not yet time and time beyond and **experiencing time as I meant it.** Thank you.

13. Thou hast no holds on Me, but hold you I do in My arms every night as alone you/I sleep. See Me. I am alone. I have you. I am one with the Son. I am one with the

Father. I am one with the Father/Son. I am one with the Son/Father. I am Mother. I am one. I am complete and you are become Me and Meing My all who will, with arms outstretched say, "not my will but Thine be done, not my will but Thine be done, not my will but Thine be done this day in me/my family/my past/present/future and see coming."

Be thou Holy and forget not Thy/My benefits, benefiting all who circularly rotate in/through Me and Me are/become, meek'd ones who surrender, gray matter not but Me to Me.

15. See what all I have said and declare proclaim not but to the privileged.
The privileged? The who will surrender meekly and surrender drink-offering-ly and allow/let My tangible nature come through theirs and operate in the Kingdom of Heaven now and amen.

16. Benefiting My all now. Thank you. Without limits and no-boundary-ing My troops, children, and lovers and altogether lovers, lovely of Me, now operating with loveliness to/in each other. Loveliness of design, loveliness of heart, purity pure, Holy on their hands feet and side, remind'd of Me, My mind come forth in Holiness purity and reverence for all, all Holy, all Holy unto the Lord, Me. Thank you. Amen.
